OVERVIEW OF THE RECORDKEEPING AND REPORTING REQUIREMENTS

A Senator and Representative may use any recordkeeping or accounting system, which will enable it to comply with the Act. The Director of Campaign Finance recommends that separate accounting records be maintained by type for each of the various categories of receipts and expenditures on the Detailed Summary Page. This separate accounting record will assist the Senator or Representative in completing the report forms, since separate reporting schedules are required for each category. The reporting Schedules should be completed first so that the totals can be obtained for each category. Where appropriate, the totals must also be stated on the Summary Page.

FINANCIAL OFFICER'S RESPONSIBILITIES

A copy of this report must be maintained by the Senator or Representative or financial officer of the Statehood Fund for a period of not less than three years from the date of filing a termination report, which must be accepted and approved by the Director of Campaign Finance. INSTRUCTIONS FOR PREPARING SCHEDULE A

The Detailed Summary Page is broken down into various categories of receipts. Use Schedule A to list each receipt required to be itemized. DO NOT combine more than one category of receipts to the same Schedule A. Instead, use a separate Schedule A for each category of receipts. The line number of the Detailed Summary Page to which each Schedule A pertains should be identified in the upper right corner of each Schedule. In addition, the Statehood Fund's full name must be entered in the appropriate block. For each receipt required to be itemized during the reporting period the Senator or Representative must provide the identification, date, and amount of the receipt, and the aggregate year-to-date total.

The term "identification" means, in the case of an individual, his or her full name, mailing address, occupation, and the name of his or her employer, in the case of any other person, the person's full name and address.

The occupation, name of employer and/or type of business is to be provided for receipt from all individuals. "Occupation" means the principal job title or position of an individual and whether or not self-employed. "Employer" means the organization or person by whom an individual is employed, and not the name of his or her supervisor. The aggregate year-to-date total must be given for each receipt and must equal the amount that the person has given to the Senator or Representative for that particular category of receipts for the calendar year. If a receipt is the only receipt from a person during the calendar year, the aggregate year-to-date total must still be entered.

The "Total This Period" amount (the last line on Schedule A) must be added to all other receipts for the category which are not to be itemized and carried forward to Column A of the corresponding line of the Detailed Summary Page.

Absent evidence to the contrary, any contribution made by check, money order or other written instrument must be reported as a contribution by the last person signing the instrument prior to delivery to the Senator or Representative.

A contribution which represents contributions by more than one person must indicate on the written instrument, or on an accompanying written instrument signed by all contributors, the amount to be attributed to each contributor.

MISCELLANEOUS

Contribution In-Kind. Contributions in-kind (i.e., goods and services provided to a Senator or Representative) are treated as any other contribution and must be reported and itemized under the appropriate category of receipts. For example, a contribution in-kind from an individual must be itemized on Schedule A and reported under the category for "Contributions from Individuals/Organizations." The value of each contribution in-kind must be entered in the "Amount of Each Receipt This Period" column. The amount or the value of the contribution in-kind is the difference between the usual and normal charge for the goods or services at the time of the contribution and the amount charged the Senator or Representative. The "aggregate year-to-date" total must include the total amount of all contributions which the person has contributed to the Senator or Representative during the calendar year. The item must be labeled "contribution in-kind" and include the nature of the contribution (e.g., consulting, polling, etc.). Each contribution in-kind must also be reported in the same manner as an operating expense on Schedule B and included in the total for "Operating Expenditures" (Note: A Statehood Fund which makes a contribution in-kind only reports it as an expenditure and itemizes the

transaction in Schedule B with a notation "contribution in-kind". The purpose of the expenditure (e.g., consulting, polling, etc) and the aggregate year to date amount must also be provided. The Senator or Representative receiving the contribution in-kind must report it as both a receipt and an expenditure.

Contributions of stocks, bonds, art objects, and other similar items to be liquidated must be reported as follows.

- (1) If the item has not been liquidated at the close of the reporting period, the Senator or Representative must record as a memo an entry (not as cash) on Schedule A the item's fair market value on the date received, including the name and mailing address (and when in excess of \$49, the occupation and name of the employer) of the contributor. The total amount of the items to be liquidated must be entered under "Total This Period" on the last line of Schedule A. This amount must NOT be carried forward to the "Detailed Summary Page".
- (2) When the item is sold, the Senator or Representative must report the proceeds and include them in the appropriate categories on the Detailed Summary Page. It must also report the (i) name and mailing address (and, when in excess of \$49, the occupation and name of the employer) of the purchaser on Schedule A, if purchased directly from the Senator or Representative (the purchaser is considered to have made a contribution to the Senator or Representative) and (ii) the identification of the original contribution on Schedule A.

Earmarked Contributions. For each earmarked contribution received, the Senator or Representative must report on Schedule A the name and address of the original contributor, the date of receipt and the amount of the contribution. If the original contributor makes contributions aggregating more than \$ 49 to the Senator or Representative must also report the occupation during the calendar year, and name of the employer. If the contribution passes through the Senator or Representative and is forwarded to another Senator or Representative, the conduit Senator or Representative must disclose each contribution, on both Schedule A and Schedule B and include the amount under the appropriate category of receipts and expenditures. If the contribution was passed on in the form of the contributor's check, the conduit must disclose each contribution on a separate Schedule A attached to the conduits (intermediary) next report and the amounts of such contributions are not required to be included in the totals for the appropriate categories of receipts and expenditures. If a Senator or Representative is not a conduit, but is the intended recipient, the Senator or Representative must report each conduit through which the earmarked contribution passed, including the name and address of the conduit, and whether the contribution was passed on in cash, by the contributor's check, or by the conduit's check.

Checks Returned Due to Insufficient Funds. If a contributor's check is returned to the Senator or Representative due to insufficient funds and the receipt of the check was previously reported, the Senator or Representative must report the return under the appropriate category of receipts as a negative entry and net out the amount of the check from the total for that category. If the original receipt of the check was itemized on Schedule A, the return of the check must also be itemized as a negative entry on Schedule A. If the receipt of the check was never reported, the return of the check should not be reported.

Checks Refunded to the Senator or Representative. A contribution may be refunded to the Senator or Representative in one of two ways:

- (1) The original check is returned uncashed. If the contribution was reported, the refund should be reported as a negative entry on Schedule B, and the amount of the contribution refund subtracted for the expenditure totals on the line of the Detailed Summary Page that it was reported on.
- (2) The original check is returned and the refund is made by check from the recipient of the contribution. Such a transaction should be reported as a receipt on Schedule A for the appropriate line of the Detailed Summary Page. This procedure is applicable regardless of whether the amount refunded is the full or only a partial refund of the contribution or whether the contribution was previously reported.

Best Efforts. When the Senator or Representative or financial officer shows that “best efforts” have been used to obtain, maintain and submit the information required, the Senator or Representative shall be considered in compliance with the Act.

With regard to reporting the identification of each person whose contribution(s) to the Senator or Representative aggregating more than \$49 in a calendar year, the Senator or Representative or financial officer will not be deemed to have exercised best efforts to obtain the required information unless he or she has made at least one effort per solicitation either by written request or by an oral request documented in writing to obtain the information from the contributor. The effort shall consist of a clear request for the information (i.e., name, mailing address, occupation, name of employer) which informs the contributor that the reporting of the information is required by law.

INSTRUCTIONS FOR PREPARING SCHEDULE B

THE DETAILED SUMMARY PAGE is broken down into various categories of expenditures. Use the appropriate Schedule B to list each expenditure required to be itemized. Use a separate Schedule B for each category of expenditures. The line number of the Detailed Summary Page to which each Schedule B pertains should be identified in the upper right hand corner of each Schedule. In addition, the Statehood Fund's full name must be entered in the appropriate block.

For each expenditure required to be itemized during the reporting period, the Statehood Fund must provide the full name, mailing address, date, amount and purpose of the expenditure.

The term "purpose" means a brief statement or description of why the expenditure was made. Examples of adequate descriptions include the following: advertising, salary/stipend, Statehood Fund and/or Senator or Representative loan repayment, other loan repayment, travel/vehicle expense printing/copying, supplies, consulting, Statehood Fund fundraiser, poling/mailling list, postage, shipping/courier, office supplies/furniture, bank fees, catering/refreshments, telephone/communication, computer services/supplies/equipment, office rental, in-kind, utility, office maintenance, trash/poster removal, petty cash, equipment purchases/rental. However, statements or descriptions such as "advance", "expense reimbursement", "miscellaneous", and "outside services", would not meet the requirement for reporting the purpose of an expenditure. If the expenditure is a "loan repayment", "contribution refund", (reported on Schedule B-2) or similar category of expenditure (other than an operating expenditure), the name of the category of expenditure (i.e., "loan repayment", etc.) is sufficient to meet the requirement for reporting the purpose of an expenditure.

The "Total This Period" amount (the last line on Schedule B) must be added to all other expenditures for that category which are not itemized and carried forward to Column A of the corresponding line of the Detailed Summary Page.

CONTRIBUTIONS IN-KIND RECEIVED

Contributions in-kind received by the committee which are itemized on Schedule A must also be itemized as an operating expenditure on Schedule B. In addition, in the "Purpose of Expenditure" box include the notation "Contribution In-Kind", and the nature of the expenditure (e.g., consulting, polling etc).

If a debt or obligation is settled for less than the report amount or value, the reporting Senator/Representative must include a statement as to the circumstances and conditions under which the debt or obligation was extinguished and the amount paid. A debt owed BY the Senator/Representative which is forgiven or settled for less than the amount owed is a

contribution unless the debt is forgiven or settled in accordance with the Campaign Finance Regulations. The extension of credit by any person for a length of time beyond normal business or trade practice is a contribution, unless the creditor has made a commercially reasonable attempt to collect the debt. The total amount of the debts and obligations owed BY the Senator/Representative during the reporting period must be entered at the bottom of the last page under “Total This Period” and added to the total loans owed by the Senator/Representative from Schedule E. INSTRUCTIONS FOR PREPARING SCHEDULE E

A loan is a contribution at the time it is made and is a contribution to the extent it remains unpaid. A LOAN (OTHER THAN BY THE SENATOR OR REPRESENTATIVE) WHICH EXCEEDS THE CONTRIBUTION LIMITATIONS IS UNLAWFUL WHETHER OR NOT IT IS REPAYED. The aggregate amount loaned to the Senator or Representative or Statehood Fund by another individual or Statehood Fund, when added to other contributions from that individual or Statehood Fund to that Senator or Representative or Statehood Fund, shall not exceed the contribution limitations. A loan, to the extent that it is repaid, is no longer a contribution. All loans to a Statehood Fund (regardless of amount) must be disclosed on the first report filed with the Director of Campaign Finance after the date the loan is made.

LOANS MADE BY THE SENATOR OR REPRESENTATIVE

This category includes personal loans from the Senator or Representative and loans from lending institutions, which are secured, endorsed or guaranteed by the Senator or Representative and used in connection with the Senator or Representative's Statehood Fund. All loans made, guaranteed, or endorsed by the Senator or Representative must be itemized on Schedule E. Regardless of the amount, for each loan, provide the identification, date and amount of the loan and the aggregate year-to-date-total. **Note: a loan guaranteed by the Senator or Representative and any other person(s) must be apportioned between the Senator or Representative on Line 13(a) and the other person(s) on Line 13 (b)**

When filing Schedule E, the Statehood Fund must enter its full name in the box at the top of the page.

LOANS OWED BY THE STATEHOOD FUND

When a loan is received by the Statehood Fund, it must be itemized on Schedule A and must also be disclosed on Schedule E. (See also instructions for Schedule A for itemizing loans received by a Statehood Fund.) For each loan owed BY the reporting Statehood Fund at the close of the reporting period, the Statehood Fund must report certain basic information on Schedule E in the appropriate boxes: (1) full name, mailing address and zip code of the creditor; (2) the original amount of the loan; (3) the cumulative payment on date of the loan; and (4) the outstanding balance at the close of the reporting period (i.e., the remaining unpaid portion of the loan).

Certain additional information must be entered on Schedule E in the box entitled "TERMS": (1) if an intermediary is reported as the source of the loan, the original source of the loan (which must be disclosed in the first box for endorser and guarantors with a notation that the person identified is the original source); (2) the date the obligation was incurred; (3) the date the loan is due or the amortization schedule (if there is no due date or amortization schedule, enter "None" on the appropriate line); (4) the actual rate of interest charged on each loan, if the loan does not bear an interest rate, enter "None" on the appropriate line; and (5) check the box if the loan has been secured.

In instances where the loan has endorser or guarantors, the following information must be supplied: (1) the identification of each endorser or guarantor; and (2) the amount of the endorsement or guarantor outstanding at the close of the reporting period. The term "identification" means: (a) in the case of an individual, his or her full name, mailing address, occupation, and the name of employer; and (b) in the case of any other person, the person's full name and address.

Loans owed BY the Statehood Fund must continue to be reported on each subsequent report until repaid. When a payment is made to reduce or extinguish the amount of a loan owed BY the Statehood Fund, the payment must be itemized on Schedule B, reported on the appropriate line of the Detailed Summary Page, and included in the "Cumulative Payment Date" column on Schedule E. If any extension for repayment is granted, this should be reported on the first report after the extension is made.

If a loan is settled for less than the reported amount, the reporting Statehood Fund must include a statement as to the circumstances and conditions under which the debt or obligation was extinguished and the amount paid. A loan owed BY a political Statehood Fund which is forgiven or settled for less than the amount owed, is a contribution. The total amount of loans owed BY the Statehood Fund at the close of the reporting period must be entered on the line for "Total This Period" on the bottom of the last page of Schedule D. If no debts or obligations are reported on Schedule D, carry the outstanding balance forward to the Summary Page.

LOANS OWED TO THE STATEHOOD FUND

When a loan is made by the Statehood Fund, it must be itemized on Schedule B and must also be disclosed on Schedule E (see also instructions for Schedule B for itemizing loans made by the Statehood Fund). For each loan owed TO the Statehood Fund at the close of the reporting period, the Statehood Fund must report certain basic information on Schedule E in the appropriate boxes: (1) the full name, mailing address, and zip code of each debtor; (2) the original amount of the loan; (3) the cumulative payment to date on the loan; and (4) the outstanding balance at the close of the reporting period (i.e., the remaining unpaid portion of the loan).

MISCELLANEOUS

Loans By Financial Institutions. A loan of money by a District of Columbia bank, a federally chartered depository institution (including a national bank) or a depository institution whose deposits and accounts are insured by the Federal Deposit Insurance Corporation, or the National Credit Union Administration is not a contribution by the lending institution, if the loan is made in accordance with applicable banking laws and regulations and is made in the ordinary course of business. A loan is deemed to be made in the ordinary course of business if it bears the usual and customary interest rate of the lending institution for the category of loan involved; is made on a basis that insures

When filing Schedule E, the Statehood Fund must enter its full name in the at the top of the page.

DO NOT combine loans owed TO the Statehood Fund with those owed BY the Statehood Fund on the same Schedule E. Instead, use a separate Schedule E.

Certain additional information must be entered on Schedule E in the box entitled TERMS: (1) the date the obligation was incurred; (2) the date the loan is due or the amortization schedule (if there is no due date or amortization schedule, enter "None" on the appropriate line); (3) the actual rate of interest charged on the loan (if the loan does not bear an interest rate, enter "None" on the appropriate line); (4) check the box if the loan has been secured. Loans owed TO the Statehood Fund must continue to be reported on each subsequent report until repaid. When a payment is received to reduce or extinguish a loan owed TO the Statehood Fund, the payment must be itemized on Schedule A, reported on the appropriate line of the Detailed Summary Page, and included in the "Cumulative Payment to Date" column on Schedule E. If any extension for repayment is granted or made, this should be reported on the first report after the extension is made.

The total amount of loans owed TO the Statehood Fund at the close of the reporting period must be entered on the line for "Total This Period" on the bottom of the last page and transferred to Line 3 of the last page of Schedule D. If no debts or obligations are reported on Schedule D, carry the outstanding balance forward to the Summary Page.

repayment; is evidenced by a written instrument; and is subject to a due date or an amortization schedule.

Senator or Representative Loans. If the Senator or Representative personally receives a loan from a financial institution or other person, which is loaned or given to the Statehood Fund or used in the Statehood Fund, the Statehood Fund must disclose all information with respect to that loan. The financial institution or other person must be listed as the original source of the loan and the Senator or Representative listed as an intermediary.

Loans By Statehood Fund. If a Statehood Fund makes a loan TO any person, the loan shall be subject to the contribution limitations. Repayment to the Statehood Fund of the principal amount of the loan is not a contribution by the debtor to the lender Statehood Fund. The repayment must be made with funds that are permissible under the Act. The payment of interest to the Statehood Fund by the debtor is a contribution only to the extent that the interest paid exceeds a commercially reasonable rate prevailing at the time the loan is made. All payments of interest must be made from funds that are permissible under the Act.

Endorsers and Guarantors. A loan is a contribution by each endorser or guarantor. Each endorser or guarantor shall be deemed to have contributed that portion of the total amount of the loan for which he or she agreed to be liable in a written agreement. Any reduction in the unpaid balance of the loan shall be reduced proportionately by the amount endorsed or guaranteed by each endorser or guarantor in such written agreement. If such agreement does not stipulate each endorser or guarantor's liability to the loan, it is then considered a loan by each endorser or guarantor, in the same proportion to the unpaid balance that each endorser or guarantor bears to the total number of endorser or guarantors.

Loan Repayments. Each Statehood Fund must disclose all loan payments received or made by the Statehood Fund. When a loan repayment is received by a Statehood Fund, the repayment must be itemized on Schedule A and included in the "Cumulative Payment to Date" column on Schedule E. When a loan repayment is made by a Statehood Fund, the repayment must be itemized on Schedule B and included in the "Cumulative Payment to Date" column on Schedule E. For a Citizen-Service-Program other than an authorized Statehood Fund, the total amount of loan repayments received and the total amount of loan repayments made must be disclosed on the appropriate line of the Detailed Summary Page. For authorized Statehood Funds, the total amount of loan repayments of all other loans must be disclosed on the appropriate lines of the Detailed Summary Page
